

Tying the EDGE Assessment to Accelerate Breakout Sessions

Your EDGE Assessment identifies 20 key leadership capabilities across four domains — Thinking, Interacting, Achieving, and Leading. Use this guide to connect your personal growth areas to the breakout sessions designed to strengthen them.

1. Find your focus areas based on your EDGE Assessment results.
2. Locate the sessions that correspond to those capabilities.
3. Plan your experience by prioritizing the sessions that best support your development goals.
